

### Instructions for interpreting data report fields:

#### \*Quarterly Data Submission Status

Quarterly Data Submission Status is not a strategy-specific data field. This is a FTF designated field in a report that indicates within a quarter the number of months of data that were submitted for a single contract out of the three mandatory months for the quarter.

0 = 0 months out of 3 months of data for this quarter were submitted.

**Note:**

No strategy-specific data fields will be displayed for a contract with a "0" Quarterly Data Submission Status

1 = 1 month out of 3 months of data for this quarter were submitted

2 = 2 months out of 3 months of data for this quarter were submitted

3 = 3 months out of 3 months of data for this quarter were submitted

**Note:**

A Quarterly Data Submission Status of "0" may be assigned in the following scenarios:

- (a) The grantee did not set their PGMS data submission status to "complete" or did not submit data via other acceptable file transfer protocols
- (b) The grantee signed their contract only one month prior to the end of the quarter and data submission is not applicable until the following quarter
- (c) The contract's strategy-specific data reporting requirements may not be available and/or no training on data submission has taken place

#### \*\*Contracted Service Units

Contracted Service Units only appear for a contract's lead strategy

### Instructions for reading null and zero as data field values:

Blank data field = A null data field appears if the grantee selected "NA (Not Applicable)" when given a YES/NA option on their data reporting template indicating the specific data field(s) are not a part of their contract

0 = Grantee selected "No" in a YES/NO option on their data reporting template indicating the specific data field(s) were not collected for the quarter

0 = Grantee reported "0" on their data reporting template indicating the specific data field(s) were not collected for the quarter
